Serves and supports libraries and library staff members  
throughout the state with the Library Services and Technol-  
ogy Act grant program, State Aid payments, annual statisti-  
cal data collection and analysis, library staff and certification,  
youth services coordination, library trustee development,  
training and general services. Also serves users of census  
and population data in state government and elsewhere.  
the Census Data Coordinator disseminates population data,  
maintains census-related information on HAL's website, and  
providestechnical assistance. The State Demographer  
develops population estimates, population projections, and  
analyses of demographic data.

Coordinates projects that provide access to a core set of  
information resources for Michigan libraries and residents.  
Resources constitute a growing virtual library that cur-  
rently includes professionally selected Internet sites, and  
commercial databases of magazines, newspapers and  
ebooks.
